PROFESSIONAL SUMMARY

Founder and Certified Lean Six Sigma Black Belt with hands-on experience in digital products, content production and high-volume printing operations. Combines business ownership, data research and technical troubleshooting to build practical customer tools and manage end-to-end delivery.

PROFESSIONAL EXPERIENCE

Founder September 2026 - Present
GetPlaceID

- Built getplaceid.com to help small businesses turn their Google Maps listings into direct Google review links, simplifying the customer review process.
- Created QR codes and print-ready business cards that give customers direct access to a business's Google review page.

Content Creator August 2019 - Present
YouTube / Self-employed

- Produced **200+ educational videos**, earning **one million views** and building an audience of **10,000+ subscribers**.
- Researched geographic, demographic and socioeconomic data; translated complex statistics into accessible visual comparisons and stories.
- Managed video production from research and planning through editing and publication.

Business Owner September 2024 - December 2025
Printing Services

- Managed printing operations processing **2,000+ pages daily** under rush conditions while maintaining output quality.
- Coordinated priority jobs and consumables; maintained and troubleshot printing equipment to support reliable operations.

SKILLS

- **Operations:** Lean Six Sigma, process improvement, quality control, printing operations, equipment troubleshooting, project planning and customer communication.
- **Digital:** Data research and visualization, video editing, content production, web development and workflow automation.
